Product User Guide

Firstline Sealer

A granite countertop crafted from the Artisan Stone Collection is a lifetime investment. Which is why all of our premier quality granite countertops are sealed with Firstline Sealer. Firstline Sealer is an exclusive, eco-friendly product designed specifically for the Artisan Stone Collection.

Firstline Sealer protects your countertop and helps maintain its natural beauty.

The Most Advanced Technology in the Industry:

- 100% VOC Compliant
- Solvent-based Impregnator Sealers
- No Harsh Solvent Smell
- Non-Flammable
- Repels Water and Oil
- Non-Yellowing, Long-Lasting Formula
- Quick-Dry Formula
- Designed to Penetrate Dense Stone
- Indoor/Outdoor Use

This product works great on granite, polished marble, quartz and all dense stone and masonry surfaces. Firstline Sealer is manufactured in the United States.

Firstline Clean & Restore

Artisan Group's Firstline Clean & Restore is the perfect daily cleaner for granite countertops and surrounding surfaces. It is a pH neutral cleaner with evaporative cleaning action and surfactants that leave no residue streaks or water spots on your countertop. Firstline Clean & Restore's concentrated formula replenishes the sealer properties with every use to ensure the longevity of your granite countertop.

- Easy to Use Daily Cleaner
- Safe for any Natural Stone
- Built-In Sealer
- Fast Drying
- No Rinse Formula
- Safe for Food Preparation Surfaces

This product works great on all stone surfaces including granite, marble, limestone, slate, travertine, soapstone and sandstone as well as porcelain and ceramic tile, grout, terrazzo, glass, mirrors and stainless steel.

Firstline Shine

Artisan Group's Firstline Shine spray helps maintain your countertops and will keep them looking like new. It enhances the natural color of granite, while simultaneously protecting the natural stone.

A slight silicone additive in Firstline Shine helps build protective layers on the granite without waxy buildup. This is a great spray for daily, weekly or monthly use. It is easy to use, fast drying, and unlike other sprays, leaves no water spots or streaks.

- Cleans, Polishes, Protects
- Streak-Free Formula
- Reduces Fingerprinting and Water Marks
- Excellent on Steel Appliances, Glass and Mirrors
- Not For Use on Floors

This product works great on all polished natural stone surfaces, stainless steel, glass, windows, chrome and brass.

Firstline products are distributed exclusively by Artisan Group members. Locations in your area can be found at www.artisan-counters.com/where-to-buy.
