New! Saratoga Soapstone Wax

- Accelerates the natural patina for clients that want to bring out a dark richness to the stone's natural color
- Non-yellowing, binds with surface, and not-sticky so it does not readily show fingerprints like mineral oil
- Enhances the natural beauty of soapstone to a nice luster and acts as a protective layer
- All natural blend of organic oils and waxes; you can actually use it as lip balm!
- Non-absorbent and Non-porous
- Mold and Mildew Resistant
- Eco-friendly product, no VOC's
- Low-maintenance, it eliminates most soapstone countertop maintenance associated with mineral oil and competing products
- One 8 oz container will last 10 years. Usage: Wax 2-3 times initially and then it should last for 7-12 months.
